

Application No. 10/588,360
AMENDMENT of January 10, 2011
Reply to Office Action of November 2, 2010

Amendments to the Specification:

Please replace the paragraph beginning at page 3, line 25, with the following rewritten paragraph:

--The composition according to the present invention comprises a compound capable of inhibiting the methionine biosynthesis. Preferably, the present invention relates to a composition comprising a compound capable of inhibiting the methionine biosynthesis selected from ~~cyprodinyl~~ cyprodinil, mepanipyrin and pyrimethanil. Pyrimethanil is preferred.--
